

Prayers for Kids

It's so important for every member of our faith community to be able to join in prayer for God's world and His people in it. We hope these prayers will encourage and resource you as you plan your services and events.

Let's pray together for our planet

Creator God,

You made the world and it is good.
The trees, mountains, rivers, and seas.
The birds, lions, ants, and bees.

Creator God,
You made me to care for the world and for people.
Our planet is hurting. Many people are hurting.
Help me do what I can to bring healing to your
creation and your people.

**God who loves us and our planet,
hear our prayer. Amen.**

Let's pray together for a kind and peaceful world

**God who made and loves every
precious person on Earth,**

Help the people responsible for
leading countries to know how
sadness and pain in the world
makes you feel.

Help them to make good choices
that lead to peace and not to war.

God of peace, help me to be a
peacemaker, in my home, my
school, my community and your
world. Help me to be part of a
story of peace and fairness.

Help us to show love to our
neighbours around the world.

**God of peace, hear our prayer.
Amen.**

Let's pray together for hope

Jesus,

You are hope.
You are God's promise of a
better world.

When we find the world hard,
please give us hope.
When other people find the
world hard, help us give hope
to them in your name.

Amen.
